Dear Liberty Fellowship Members,

Greetings in the name of our Lord. I just returned from the Liberty Fellowship Summer Conference. What a great conference and it was great to see many of you there. Mary Ann Brown challenged us and brought many great insights into the scriptures and our relationship with our Lord. She also fell in love with our great Fellowship.

We also heard from Anita Terry, Nathan Sanders, Danny Tice, and Mike Bailey. They did an outstanding job. As always the accommodations, meals, and fellowship were great. We are already planning for next year and hope that you will join us for this wonderful and much needed time together as a Fellowship. We will have all the teaching sessions available on our website to stream and listen or to download and record within the next two weeks. I encourage you to take advantage of this opportunity to listen to these teachings.

It is time to renew our credentials. I have enclosed a renewal form that has been customized specifically for you with your pertinent information. Please review the information and make any necessary change and mail it back to us. Also, fill out questionnaire portion in its entirety. This new format should help you expedite the return of your application before the deadline of August 31, 2009. After that date there will be a \$25.00 late fee charge. Your current card expires on August 31, 2009. I trust you will join us again this year as a Liberty Fellowship member. I value your participation and support as we move ahead with God's plans for us and the future. Tammy Barch and Rob Hurt are to be thanked for this new updated personal form!

I have also included a handout that I gave to the conference attendees as I ministered on Monday evening. It is called 'Better Together.' It expounds on our purpose statement: Liberty Fellowship exists as a relational resource to help men and women fulfill their calling by providing fellowship, accountability, and continual training. I hope you enjoy it and you can listen to my message from Eccl. 9:4, 'A living dog is better than a dead lion!'

Also, the finances of the Fellowship remain good as many of you are faithfully fulfilling your commitment with your fees and offerings. I was able to give a good report for the year 2008 and the first half of 2009 to the presbytery at the summer conference. I pray that you will continue to participate during the remainder of the year and beyond. I have enclosed our financial guidelines. Please review that form and make sure that you are giving according to those guidelines.

I enjoy serving as Executive Director and our desire is how we may better serve you. Please let me hear from you at: kerrliberty@gmail.com.

We truly are Better Together,
